

Proposed Solution: Vanguard Credit Automation

VANGUARD CREDIT AUTOMATION | ACADEMIC PROJECT TRACK DELIVERABLE

1. Design Aesthetic Overview

A premium glassmorphic dark-theme portal. It utilizes high-blur backdrops, border overlays, Outfit typography, and dynamic animations to deliver an extremely polished, modern look.

2. System Components

- Performance Dashboard: Visualization comparing 4 algorithms.
- Credit Analyst Console: Input forms + Evaluation History Log table.
- Compliance Portal: Drag-and-drop CSV audits with violation lists.
- Pre-Qualification Wizard: Stepped consumer form check.
